Office Memorandum • UNITED STATES GOVERNMENT 5/13

TO : Chief, Engineering Division, OC
THRU : Budget Officer, OC
FROM : Chief, Communications Operations Division, OC

DATE: 16 February 1953

SUBJECT: RS-6A, Procurement of

1. It is requested that procurement of 2500 RS 6-A radio sets be undertaken at an early date. It is understood that the RS 6-A frequency range is to be from 4.5 to 22 megacycles.

2. Authority for this request is contained in the attached memorandum which was concurred in by the Research and Development Board and approved by the Assistant Director for Communications. I am also informed by the Budget Officer, OC that funds are available for this procurement.

3. In connection with the procurement of the RS 6-A, should any problems arise regarding operating characteristics frequency range or other operational aspects of the radio set in question, it is requested that be contacted.
